

exist_in_trie

```
graph LR; A[exist_in_trie] --> B[exist_in_internal_trie]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'exist_in_trie'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'exist_in_internal_trie'.
